

REMARKS

The present application was in condition for allowance, wherein Applicants paid the Issue Fee on February 1, 2007. However, a Petition to Withdraw from Issue, a Request for Continued Examination and an Information Disclosure Statement were filed on May 22, 2007, thereby reopening prosecution.

Applicants respectfully request the Examiner to reconsider the present application in view of the foregoing preliminary amendments to the claims and the following remarks.

Status of the Claims

In the present Preliminary Amendment, claims 12-16 have been added. This makes claims 1-16 as pending in the present application, wherein claims 1 and 16 are independent.

No new matter has been added with the amendment and new claims. The new claims are fully supported by the original disclosure, e.g., paragraphs [00118] and [00107] (see, e.g., page 24, lines 15-16) of the specification. Support for new claim 15 is found in claim 1, as well as, for example, paragraph [00107] of the present specification. Further, new claim 12 has support in the specification in paragraph [00137]; claim 13 has support in the specification in paragraphs [0025]-[0028], [0043], [00117], [00132], [00134] and [00135] of the specification; and claims 14-15 has support in the specification at least in paragraphs [0019], [0030] and [00118].

Entry of the present amendments is respectfully requested.
